# ABOUT CRi

Since 1975, CRi has been relentlessly focused on what's possible for people with disabilities & mental health needs. By investing the respect, time, & effort, CRi finds positive ways to meet the needs of people in local communities. Through group home services, in-home services, nursing care, day programming, rehabilitation services, supporting youth aging-out of foster care, tenant support services, & transitional housing, we are able to support people with an array of needs.

CRi is transforming how at-risk youth & people with developmental disabilities or mental health needs live, work, & play. Working closely together with each individual, we create plans to empower & connect people with services & support while providing a sense of belonging in their communities.

## An Autumn Evening of Enchantment *Enhancing & Enriching Lives*

# Our Sponsors Make it Happen.

At CRi, we value the relationships built through collaboration. These partnerships extend far beyond monetary contributions, as they also offer expertise, resources, and networking opportunities that help us further our mission.

Through event sponsorships, our partners not only demonstrate their dedication to social responsibility, but also gain valuable exposure to our diverse audience of supporters, volunteers, and beneficiaries. By aligning with CRi, sponsors have a unique opportunity to showcase their brand, engage with the community, and make a tangible impact on the lives of individuals we serve.

We look forward to welcoming new partners and sponsors into the CRi family as we continue to work together to create a more inclusive and supportive community for all.
